About Us

Milagro Rubber Co., Inc. was established in 1992 to export materials and machinery for industrial use mainly from the United States to Mexico and South America. We currently export to more than ten different countries.

Our experience and daily effort, have given us the opportunity to work and supply to different industries worldwide.

We help interesting companies create and improve industry products and services through long lasting and mutually rewarding relationships. We supply from a pallet to a full truck or container.
